

Keena and Elijah

2008 Litter

Crushie, Julie Oakes Michigan

And then there was Crush..

MACH Grand Oakes Crush MXB, MJB, XF

Crush was pretty determined that she just wanted to stay here. She stole my heart from the moment she was born. She reminds me of her mom, Keena, since she wants to be with you all the time. Crush has followed her mom's pawprints!

Tess ~ Owned by Carol Helwig, MI

Tess (Flo)

Carol has been involved in dog sports for 10 yrs. She competes in agility, obedience, and rally with her current BC, Bruin, and has also competed in agility and obedience with her German Shephard. Carol is an active member of AA Dog training Club, and will be having a lot of fun with this new girl. I sure look forward to seeing them both at the shows! Good luck Carol!

Troy ~ owned by Stella Stankowski, PA

Crush, Keena, Troy

Troy - OA, OAJ

Stella competes in agility and trains with Denise Thomas (AKC nationals winner). Troy is her second Border Collie. Within the first week Stella had taught Troy many new behaviors, and had him started on puppy agility equipment. Stella is dedicated and motivated, and I have no doubt will go far with Troy.

Trinity ~ owned by Colleen Hinzman, MI

UACH Trinity - UKC Agility Champion

Colleen was looking for her first border collie, is interested in Agility and Frisbee, but most of all looking for a loyal companion with a stable temperament, so Trinity was a perfect choice. Colleen's brother is a veterinarian and is also raising a puppy right now, so they will have each other to play with. We hope to see this team having fun with agility down the road!

Lucy ~ owned by Jenny Wennerstrom, IL

**Jenny/Russ Wennerstrom,
Illinois Lucy (Dory)**

Russ and Jenny were looking for a sweet loyal pet, and running companion as well as a Frisbee prospect. They researched what they were looking for and picked Lucy. I think this crew could easily get hooked on agility and flyball but plan to just start out with puppy class for now! Happy tail wagging Lucy is going to be the center of their lives. To know Lucy is to love her!

Abby and family, Bonnie Wilson, CA

Abby (Coral)

Bonnie was looking for a special puppy to be her only dog, and first border collie. Abby definitely fit her requirements because special she most definitely is. Bonnie plans to compete in Flyball but most of all wanted a loyal companion and jogging partner. Bonnie trains with Jane Horsfield, who has 4 BC's and has earned the Hobbes award in Flyball. Abby with her confident nature, will excel in flyball, good luck Bonnie with this little rocket.
